AUDIT & FINANCE SKILLS

- Internal Audit: audit planning, execution, working paper preparation, and audit documentation
- Risk identification, control testing, and compliance with internal policies and regulatory requirements
- Financial statement preparation and analysis — income statement, balance sheet, cash flow
- Double-entry bookkeeping, ledger accounts, trial balance, and financial record accuracy
- Variance identification and process improvement recommendations
- Cost Accounting and Management Accounting principles
- Sri Lanka Taxation — Income Tax, VAT, and related legislation
- Business Law and Banking Operations — regulatory framework awareness

TECHNICAL SKILLS

- MS Excel — proficient (formulas, data analysis, financial modelling)
- MS Word, MS PowerPoint, MS Access — proficient level
- Basic Web Design, Data Entry
- C# and Python — foundational programming knowledge

LANGUAGE SKILLS

- Sinhala — Native language, full proficiency in reading, writing, and speaking
- English — Professional working proficiency (approximately 80%), Diploma in English completed

PERSONAL STRENGTHS

- Strong attention to detail and accuracy in financial records and audit documentation
- High integrity and ethical judgment with respect for confidentiality — essential in audit roles
- Self-motivated and disciplined — managing three professional qualifications simultaneously
- Analytical mindset with ability to identify variances, risks, and process improvements
- Effective written and verbal communicator — able to present findings clearly and objectively
- Collaborative team player with ability to work independently and meet deadlines
- Quick learner who adapts readily to new environments, tools, and audit methodologies
